

Thorbjorn Sommer
Klinikchef, Cheflæge Mølholm Privat Hospital
Speciallæge i Kirurgi, Kolorektal og Bariatrisk Kirurgi, Phd.

Født 8. juli 1967

Akademiske grader:

- 1986 Matematisk-fysisk student Silkeborg Amtsgymnasium.
- 1996 Lægevidenskabelig Embedseksamen Odense Universitet.
- 1996 Diplom opgave Odense Universitetshospital indenfor screening af tarmkræft.
- 2004 Ph.d. grad på afhandling om blodcirkulation i tarmsystemet Aalborg Universitet.
- 2005 Speciallæge i kirurgi.
- 2006 Speciallæge i kolorektal kirurgi.
- 2007 Klinisk lektor Aarhus Universitet.

Sprog: Dansk, Engelsk, Tysk

Specielle interesse områder:

Kikkertkirurgi med focus på:

- Minimal invasiv behandling af overvægt (Fedmekirurgi)
- Minimal invasiv behandling af bugvægs og lyskebrok.
- Minimal invasiv behandling af galdesten.
- Minimal invasiv behandling af tarmkræft og overvægt.
- Minimal invasiv behandling af hæmorider og andre endetarms sygdomme
- Minimal invasiv behandling af fremfald af endetarmen (rectalprolaps)
- Udredning, diagnostik og behandling af tarmsygdomme.
- Endoskopisk diagnostik og terapi (avanceret gastroskopi, koloskopi, sigmoideoskopi).

Uddannelse/ansættelser

- 2020 Klinikchef Fedmekirurgisk Center Mølholm
- 2018- Cheflæge, Privathospitalet Mølholm
- 2017 Klinikchef, Organkirurgisk Center, Privathospitalet Mølholm
- 2013-2017 Overlæge i sektion for kikkertkirurgisk behandling af tarmkræft og brok, Regionshospitalet Randers. Forskningsansvarlig, Klinisk lektor og vejleder for forskningsårs studerende, underviser af medicinstuderende.

2012 - 2013	Overlæge i sektion for kikkertkirurgisk behandling af kræft i spiserør og mavesæk, Aarhus Sygehus. Klinisk lektor Aarhus Universitet. Studieophold på Karolinska, Stockholm og Lund Universitetshospital i Sverige.
2012	Studieophold, kikkertkirurgisk sektion, Mount Sinai Medical Center, New York.
2009	Uddannelse i gastrisk bypass kirurgi for overvægt på Mølholm Privat Hospital.
2005 – 2012	Overlæge i sektion for kikkertkirurgisk behandling af tarmkræft og brok, Regionshospitalet Randers. Klinisk lektor Aarhus Universitet.
2003-2005	1 reservelæge ved center for kikkertkirurgisk behandling af brok og tarmkræft, Regionshospitalet Horsens.
2001-2003	Kirurgisk uddannelse ved afdeling for urinvejs-kirurgi, kar-kirurgi, hjertelunge-kirurgi, bryst-kirurgi og mavetarm-kirurgi, Aalborg Universitetshospital.
1996-2000	Kirurgisk turnus uddannelse Regionshospitalet Silkeborg.
1996	Reservelæge ved infektionsmedicinsk afdeling, Odense Universitetshospital.
1996	Studieophold Lugala Hospital, Tanzania.
1992	Studieophold Christian Hospital Bissamcuttack, Orissa, Indien.
1987-1996	Lægevidenskabelig eksamen Odense Universitetshospital

Aktiv deltagelse i internationale konferencer og kurser:

1999 16`th international workshop for gastrointestinal Surgery, Davos, Schweiz
 2000 ATLS Advanced Trauma Life Support, Danmark
 2000 17`th international workshop for gastrointestinal Surgery, Davos, Schweiz
 2000 8` th United European Gastroenterology Week, Brussels, Belgien
 2001 18`th international workshop for gastrointestinal Surgery, Davos, Schweiz
 2003 11` th United European Gastroenterology Week, Madrid, Spanien
 2004 4`th international Symposium of Microdialysis, Wien, Østrig
 2005 42`th International Surgical Week, Durban, Sydafrika
 2006 European Institute of Telesurgery, Strasbourg, IRCAD, Frankrig
 2007 Definitive Surgical Trauma, International association for Trauma Surgery, København, Danmark
 2007 43`th International Surgical Week, Montreal, Canada
 2007-2015: Faculty member, Swiss Surgical Course Davos, Schweiz
 2008 European Hernia Society, Sevilla, Spanien
 2008 Laparoscopic Ventral Hernia Repair Masterclass, Paris, Frankrig
 2009 Colorectal disease Symposium, Cleveland Clinic, Florida, USA
 2009 International Workshop on Laparoscopic Bariatric Surgery, Gøteborg, Sverige
 2009 14`th World Congress of Bariatric Surgery, Paris, Frankrig
 2010 8`th international Expert Meeting for Surgery of Obesity, Saalfelden, Østrig
 2010 15`th World Congress, American Society for Bariatric Surgery, Los Angeles, USA
 2011 Society of American Gastrointestinal Surgeons (SAGES), Texas, USA
 2011 Abdominal Wall Masterclass, Paris, Frankrig

2011 Colorectal disease Symposium, Cleveland Clinic, Florida, USA
2011 45`th International Surgical Week, Yokohama, Japan
2012 American Society of laparoscopic Surgeons, New York, USA
2012 3`th Gastric Cancer Workshop, Køl, Tyskland
2013 10`th International Gastric Cancer Congress, Verona, Italien
2014 European Colorectal Congress, Munchen, Tyskland
2015 1`st world Congress on abdominal wall Surgery, Milano, Italien
2016 38`th International Congress, European Hernia Society, Rotterdam, Holland
2016 Clinical Congress, Chicago, USA
2017 39`th International Congress, European Hernia Society, Wien, Østrig
2018 40`th American and European hernia Society annual meeting, Miami, USA.
2019 IFSO (Verdenskongres i fedmekirurgi) Madrid, Spanien.
2019 41`th International Congress, European Hernia Society, Hamborg, Tyskland

Medlemsskaber af videnskabelige selskaber, undervisning

Underviser på kurser i kikkertkirurgi for speciallæger under Dansk Kirurgisk selskab.
Underviser i kirurgi for speciallæger under Center for minimal invasiv kirurgi (MIUC).
2007-15 medlem af Fakultetet for uddannelse i kikkert kirurgi af europæiske kirurger i Davos, Schweiz.
Siden 2015 medlem af styregruppen i Dansk Herniedatabase der udarbejder nationale retningslinier for behandling af brok.
Vejleder for forskningsårsstuderende.
Opponent på flere PhD afhandlinger.
Forfatter til Kirurgisk Atlas for yngre læger om kirurgisk behandling af lyskebrok og overvægt.

Reviews

Ulands arbejde

1992 Christian Hospital, Orissa, Indien
1996 Ulanga Hospital, Tanzania
2007 Visit Addis Abeba Fistula Hospital, Addis Abeba, Etiopien
2008 Visit Department of Surgery, Katmandu Model Hospital, Nepal
2018 Dangbo Hospital, Benin, Hernia International Team
2019 Ganta Hospital, Liberia, Hernia international Team

Poster præsentationer på kongresser

Detection of intestinal ischemia using a microdialysis technique in an animal model.
United European Gastroenterology Week, Brussels 2000.

Detection of intestinal ischemia by intraluminal or intraperitoneal microdialysis.
4`th Microdialysis user symposium, Vienna 2004.

Intraperitoneal microdialysis.
International Surgical Week, Durban, South Africa 2005.

Laparoscopic repair of perforated ulcer in western Denmark.
Digestive Diseases Week, San Diego 2009.

Laparoscopic repair of perforated ulcer.
International Surgical week, Yokohama, Japan 2011.

Turning from open to laparoscopic Surgery in the treatment of Colorectal Cancer.
6th International Congress of Laparoscopic Colorectal Surgery, Brighton, England 2011.

Breast Cancer as Day Surgery-experiences after the first Year.
8th European Breast Cancer Conference, Vienna, Austria 2012.

Randomized Clinical Trial of Self-Gripping Mesh versus Sutured Mesh in Lichtenstein Hernia Repair.
World Hernia Congress New York 2012.

Randomized controlled Trial comparing Phosphoral and Moviprep.
United European Gastroenterology Week 2012.

Time to Event Analysis for re-operation of Internal Herniation after Double Loop Linear Gastric Bypass
American Society of Bariatric and Metabolic Surgeons, Los Angeles 2015.

Foredrag på kongresser

Detection of intestinal ischemia using a microdialysis technique in an animal model.
Danish Surgical Society annual meeting, Copenhagen 2004.

Laparoscopic repair of incarcerated Hernia, DVD presentation.
European Hernia Society Annual Meeting, Sevilla 2008.

Structured bariatric fellowship at Moelholm Private Hospital.
Expert Meeting Bariatric and Metabolic Surgery, Saalfelden 2010.

Structured bariatric fellowship at Moelholm Private Hospital.
World Congress of Bariatric Surgery IFSO, Los Angeles 2010.

Laparoscopic treatment of perforated ulcers.
Danish Surgical Society annual meeting, Copenhagen 2010.

Learning gastric bypass surgery.
Danish Surgical Society annual meeting, Copenhagen 2010.
